

You are cordially invited to attend our conferences during the Farnborough International Airshow:

## L-39NG: Next generation jet trainer

Wed 16th July 2014, 11:00 Hall 3 Stand B27 PUBLIC ANNOUNCEMENT

Wed 16th July 2014, 12:00 Hall 1A Media centre - Hendon room BY INVITATION ONLY  
(Air Forces, government officials & professional journalists)

These unique events will introduce a new L-39NG program focused on a development of a next generation of a legendary L-39 Albatros jet trainer. The L-39NG program represents a deep modernization of the L-39 Albatros combining latest engine and aircraft systems technology with traditional advantages of legacy L-39s such as excellent handling qualities, easy maintenance, robust design and low operational cost.

## L-159: Cooperation with Draken International

Wed 16th July 2014, 13:00 Hall 1A Media centre - Hendon room

AERO VODOCHODY AEROSPACE a.s. and Draken International Inc. would like to announce L-159 cooperation details. More information will be provided during the conference.
